CANAL ZONE EXEMPT FROM DEFICIENCY LAW

The law providing a penalty for heads of the executive departments who call for deficiency appropriations, except in cases of extreme emergency, does not apply to the work on the canal zone, according to statements made by Representative James C. Tawney, chairman of the House Committee on Appropriations, in a letter to Acting Secretary of War Oliver.

Chairman Tawney holds, accordingly, that there is no reason why a deficiency of \$3,000,000 should not be granted Colonel Goethals for carrying out the canal work for the remainder of the year, as the War Department and the President have decided shall be done.

All times are the "right times" with bargain-hunters. They are busy as you read this—and they make business active in all sorts of weather, pretty nearly abolishing "dull days."

The real estate dealers who are busiest nowadays "happen" to be the ones whose advertising campaigns are "busy" just now, too.
